

How to Join for 2010

Fill out the sign-up form below and mail it to the farm along with payment as early as possible. We are usually full for the season by mid-April, but please contact us if April has passed. We may still have room, and we can even pro-rate shares once the season has started.

Thanks for your support!

Health Insurance Rebates

For all rebates, you will need to keep a **copy of this form!** For information on individual company rebate policies, see our web site. Click on Our Shares, and then Great Deal. Thank you.

CSA Season Missed Box Policy

If you know you will miss one of your scheduled Thursday pickups in advance, due to vacation or any other reason, we ask that you let us know by Monday of that week. You then have three options:

- We can reschedule your delivery to another week (so swap a week for every-other-week shares or double-up for whole shares).
- You can arrange for someone else to pick up in your absence and share the produce.
- You can choose to donate your box for the week. All unclaimed boxes go to the food pantry.

If you accidentally miss a pickup, you will be contacted by your pickup site host. While we leave it up to our individual site hosts, every effort is made to accommodate a late pickup. However, all share boxes still unclaimed by Monday go to the food pantry.

Please contact us if you are interested in providing a dropoff location for yourself and other members elsewhere.
